ESTABLISHED IN 2014

COSMETICS & DETERGENTS KENYA LIMITED

Institute of Industrial Technology Skill Training

PO. BOX 55 125-00100 NAIROBI- KENYA TEL. +254 20 261 548 3 MOBILE: +254 723 42 42 40
Nairobi Campus: NyotaBuilding, Fourth Floor, Accra Road, CBD

INSTITUTE OF INDUSTRIAL TECHNOLOGY
Excelling in Industrial Mentorship

TRAINING CHARGE LIST FOR 2026

Soaps & Detergents	
1. Laundry Bar Soap	**4,500**
2. Bathing or Organic Soap Making	5,000
3. Powder Detergents	6,000
4. Dishwashing Paste or Liquid gel	6,000
5. All-Purpose Detergent	4,500
6. Fabric Softener (Downy Scented)	6,000
7. Handwash (Plain or Medicated)	5,000
8. Toilet Bowl Cleaner	6,000
9. Window Glass Cleaner	6,000
10. Utensil Scouring Powder	5,000
11. Shower Gel	6,000
12. Tile Cleaner Detergent Making	8,000
13. **Disinfectants & Hygiene**	
14. Surface Disinfectant	7,000
15. Hand Sanitizer	7,000
16. Liquid Antiseptic Making	7,000
17. Hypochlorite Bleach (Jik-Like)	7,000
18. Mouth Washes or Tooth Paste	12,000
19. Toilet Deodorant Block	12,000
Skin Care & Beauty	6,000
20. Body Lotion & Creams	7,000
21. Massage Therapy Oil	**8,000**
22. Facial Scrubs & Masks	7,000
23. Facial Serums & Toners	8,000
24. Lip Balm	12,000
25. Roll-on Deodorant	8,000
26. Sunscreen Creams	8,000
27. Petroleum Jelly	12,000
28. Lipstick	12,000
29. Nail Cuticle Remover	5,000
30. Organic Lotions	6,000
Hair Care Technologies	
31. Hair Anti-Dandruff Shampoo	8,000
32. Hair Styling Gel	8,000
33. Hair Food	8,000
34. Normal Hair Shampoo	4,500
35. Hair Growth Oil	8,000
36. Hair Detangler Serum	8,000
37. Baby Hair Oil	8,000
38. Hair Curl Activator Gel	8,000
39. Hair Leave-in Conditioner	**8,000**
40. Hair Detangler Spray	7,000
41. Hair Butter	8,000
42. Two-in-One Shampoo	6,000
43. Anti-Balding Oil	**700,000**
44.	
45. Hair Curling Hair Food	60,000
Household Consumer Technologies	
46. Foam Mattress Technology	**70,000**
47. Mineral Water Technology	80,000
48. Sugar Manufacturing Technology	85,000
49. Candle Technology	7,000
50. Cooking Gel Fuel	6,000

Perfumery	
51. Perfumery Course (3 Types)	8,000
52. Air Freshener course	7,000
Food Processing Technologies	
53. Tomato Sauce or Ketchup	7,000
54. Soy Sauce or Chocolate Bar	12,000
55. Fruit Jam or Margarine Spread	15,000
56. Peanut Butter Processing	15,000
57. Baby Formula Uji	12,000
58. Food Seasonings/Cubes	12,000
59. Noodles / Spaghetti Manufacturing	24,000
60. Morning Cereals Making	24,000
61 Sweets/Candies Making	12,000
Automotive Care Products	
62. Dashboard Shine	12,000
63. Car Air Freshener Spray	8,000
64. Tyre & Trim Shine or Spray Wax	12,000
65. Car Carpet Freshener	**7,000**
66. Car Scratch Repair Liquid	8,000
67. Headlight Fog Cleaner	24,000
68. Water Mark Remover	**8,000**
69.	
70. Body Sanding Paste / rubbing Compound	12,000
71. Car Shampoo	8,000
Paints & Adhesives Technologies	
72. Architectural & Automotive Paints	120,000
73. Wood Varnishes Production	30,000
74. Contact Adhesive Production	45,000
75. Automotive Body Filler	45,000
76. Tile Adhesive / Grout Manufacturing	24,000
Industrial Chemical Technologies	
77. Engine Coolant Manufacturing	24,000
78. Automotive Grease Manufacturing	**35,000**
79. Plastic Technology	85,000
80. Edible Oil Refining	85,000
81. Biofuel Technology	12,000
82. Engine Degreaser	12,000
83. Thinner Technology (Package of 5)	24,000
Footwear & Leather Technologies	
84. Shoe Cream or Leather dye	12,000
85. Shoe Polish Wax	24,000
86. Shoe Sole Making Technology	75,000
Fertilizer Manufacturing Technologies	
87. Liquid Foliar Fertilizers	60,000
88. Granular Fertilizers	75,000
89. Individual Fertilizer	15,000
90. Complete Fertilizer Course Package	120,000
Beverage Technologies	
91. Fruit Juice	**7,000**
92. Powder Juice Making	6,000
93. Milk Powder Technology	60,000
94. Slimming Tea Making	12,000
95. Ice Cream Technology	12,000
96. Yoghurt Technology	12,000
97. Energy Drink Manufacturing	12,000

Machine Fabrication and Engineering Workshop Courses

Electrical Control Systems	280,000		**Other Engineering Fabrication Courses**	
98. Electric Power Control Panels	**15,000**		109. Glass Panel Manufacturing	75,000
99. Compressor Manufacturing	25,000		110. Plastic Water Storage Tank Making	85,000
Structural Design & Fabrication	30,000		111. Water Pipes Manufacturing Technology	75,000
100. Chest Deep Freezer Fabrication	50,000		112. Small Engine Manufacturing Technology	150,000
101. Laundry Machine Fabrication	50,000		113. Sodium-Ion Battery Fabrication	150,000
102. Soap Plodder Fabrication	50,000		114. Boat Manufacturing (Fibreglass)	120,000
103. Wheelbarrow and Trolley	65,000		115. Flooring Tile Manufacturing	85,000
104. Microwave Fabrication	15,000		116. General Ceramic Course	120,000
105. Ballast Jaw Crusher Fabrication	30,000		117. Ceramic Toilet Seat Manufacturing	85,000
106. Sugar Plant Engineering	**2.5M**		118. Electric Motor Manufacturing	85,000
107. Soil Compactor Engineering	25,000		119. Power Generator Manufacturing	150,000
108. Water Dispensers	30,000		120. Fibre Glass (Composite) Technology	50,000

Manual / Reference Books

Book Type	Price
1. Manual for Adhesives & Sealants (33 Products)	60,000
2. Manual: Mechanical Design & Manufacturing of Motors	85,000
3. Manual: Mechanical Design & Fabrication of Power Generator	125,000
4. General Handbook Soaps & Detergents	65,000
5. Fertilizer Manufacturing Manual (Granular)	60,000
6. Fertilizer Manufacturing Manual (Liquid Foliar)	45,000
7. Industrial Paints, Coatings & Varnishes	70,000
8. Manual For Manufacturing Processed Food Products	75,000
9. Manual for Cosmetics & Persona Care	50,000
10. Ink Manufacturing Manual	60,000
11. Manual for Herbicides & Pesticides Manufacturing	80,000
12. Textbook for Sugar Production and Plant Engineering	60,000
13. Textbook for Glass Manufacturing (Flat Panels)	60,000
14. Ceramic Tile Technology Manual	65,000
15. Cleaning Products Manual (40 Items)	40,000
16. Top 5 Profitable Adhesive Manufacturing Guide	35,000
17. Foam Manufacturing Booklet	35,000
18. Automotive Body Filler & Curing Agent Manual	35,000
19. Complete Guide to Rubber Shoe Sole Manufacturing	50,000
20. Lip & Nail Makeup Manufacturing Technology	35,000

Course Duration

Course duration is measured in training hours. Most courses average **12 hours**, while the longest courses may take up to **60 hours**.

Classes are conducted in **2–3 hour sessions** until both the theory and practical components are completed. Students who wish to finish sooner may request additional class time and can often complete their training within **1–2 days**.

Pay Bill: 862 863
Acc. No. 544 040

Account Name**: CK. Institute**

Machinery & Equipment

Product Description	Price 1	Price 2 (Complete set)
Soap Plodder Model DSP – 300	750,000	950,000 (Incl. Pneumatic cutter)
Soap Plodder Model SSP 133ti	420,000	680,000 (Incl. Pneumatic cutter)
Soap Plodder Model SSP 230 – S	530,000	750,000 (Incl. Pneumatic cutter)
Soap Plodder Model SSP 133SV	320,000	420,000 (Incl. Pneumatic cutter)
Block Moulding & Cutting Machine	30,000	40,000 (Incl. A pair of rollers Stamps)
Customized Roller Stamps (A Pair)	9,000	12,000 (Includes Mounting Base)
Soap Moulding Tray	7,000	8,000 With a Base cover

Training Content

1. Basic Theory and Applications
2. Comprehensive Practical Production Skills
3. Product Branding & Packaging
4. Raw Material Sourcing and Supply Chain Management
5. Production Costing, Pricing and Profitability Analysis
6. KEBS Standards and Regulatory Compliance Procedures
7. Internal Quality Control and Quality Assurance
8. Business Development and Commercialization

Other Optional Services

- Consultation with Director: Ksh. **5,000**
- Production of KEBS Samples …Ksh. **5,000**
- Onsite Training & Support **50%** Extra charges
- Individual Formulations: Ksh. **2,500 -30,000**
- Product Reverse Engineering and Reformulation 15,000 per Product
- Special Soap (Oiless Bar): **60,000**
- Local Factory Visits: Ksh**. 15,000 – 60,000**
